NOTE FOR: Deputy Director for Administration
           Deputy Director for Operations

FROM: Executive Assistant to the DDCI

    1. For the duration of the service of the current DDCI, the word
"interrogation" should be expunged from our vocabulary and replaced
with "debriefing" when used in the context of Agency activities, opera-
tions training, etc. DDO/SAG and area divisions, OTE and Security should
take special note.

    2. Anyone using that word may, in the approximate words of the
current DDCI, find their service coming to an abrupt end.
